1806 series

Inspired by the Eiffel Tower, the designer combines elements of its architectural soul with the seat backrest to create a new sensory experience. The designer advocates exploration in life, creation in art and sublimation in experience, following the principle of simplicity as a classic example aesthetic concept for dynamic seating. The flexible forked backrest has atmospheric lines, a steady style and a wise and passionate tone, and the backrest adapts to the shape, posture and movement of the person sitting on it. With its soft, rounded front edge, the breathable, padded seat allows the body to relax.

DELICATE, ELEGANT AND MODERN CHARM

Tightly fitting back curve, moderate height, and sitting face natural; Can rely on reliable, close support, give you comfortable feeling.

Regardless of the in-depth application of ergonomics or the careful selection of modern materials, they deeply reflect the craftsmanship of well-known brands and their dedication to environmental protection, just to make each product meet the international office chair standards.

Model A1806

Model A1806

The doctrine of simplicity is to simplify the design to its essence and emphasize its inside fascination. In this realm that interweaves modern and future, simplicity produces rationality, order and professional sense.

Model A1806

OFFICE CHAIR

With unprecedented inspiration situation, it brings out the perfect combination of people and space, which contains the power of work form change.

Model A1806

2003 series

The use of simple arc curves to express its extraordinary style. Through different functional configurations, the concept of matching one seat in different scenarios is realized, so that the overality of the office space is more coordinated.
